

Dear Donors Choose,

Thank you so much for donating the drawing journals for our class; we really appreciate your support and trust. Your donation is very important to us because we were able to challenge ourselves and draw simple drawings everyday to see how much we improve overtime. This challenge would not be successful without your act of kindness and generosity!

Throughout this art experience, I found that a drawing journal was a very useful and helpful tool because it was a little book where I can express how I feel after a long day, whether it was good or bad. Some of my drawings were about random ideas I had, others were about how I feel and more. I learned that drawing soothes me and the more I draw, the more I get better at it. Thank you again, we are truly grateful for your support.

Sincerely,
J.H.
