### Effect of Social Media

# Preparation for the chapter Effect of Social Media

## Lesson Outline

- The media has a great impact on our mind and behaviour. It also influences our morals and personality.
- Media can be educational. We learn about the world events. Watch Christian movies and read Christian messages.
- Media can be destructive. We could waste valuable time. It can be addicting.
- We can avoid these addictions by spending our free time with God and His word. We should manage our time wisely.
- See how much time is spent with God. And how much time is spent in front of the TV or the Internet.
- We must be selective for what is beneficial to our spiritual and mental growth and what is wasteful and unfruitful.
