The General Council has rebranded and are now operating as Island Green Community Services Association.
The meetings are open to the public and held the **2nd Friday on the month at 11:15am at Arms Wide Open.**
Please ensure that your POA provides representation at the monthly meetings & that the information provided at these meetings is shared with all residents of your POA.

The reason for the meeting is to discuss the ability of the IG-CSA to continue to provide services to the residents of Island Green. Unfortunately, several HOAs have recently decided to withdraw their financial support for the Island Green community through the IGCSA.

The meeting will be located at 455 Sunnehanna Drive, Myrtle Beach, SC 29588. This is the building that is currently the home of Arms Wide Open Church, it was previously the amenity center. This is also the building where the Island Green mailboxes are located.

The goal is for the representatives who attend the meeting to bring back the updates and information to your HOA for internal discussions. IGCSA wants each HOA to have the opportunity to provide their recommendations and feedback to which of the available options the IGCSA should implement as to the future of the services provided for the Island Green community. The meeting on Monday, March 18th is an opportunity to provide detailed and accurate information and to answer questions.

We are asking all Island Green residents who receive this notice to contact your HOA leadership & management to ensure that representation is provided at the meeting and that you have a voice within your HOA as to the future decisions that will impact all residents of Island Green.
