### Stained Glass Rainbow Class (\$55.00)

**April 20, 2024 --- 10:00 - 3:00 PM**

Raindrops are falling on my head...but that doesn't mean you can't join us in creating this cute rainbow suncatcher complete with raindrops that sparkle in the sun. It's going to be a blast crafting with stained glass in this fun-filled class. And the best part? You get to choose your own glass colors and make your own special rainbow. Can't wait to see you in class! 🌈☀️

**April 26, 2024 --- 12:00 - 5:00 PM --- Workshop Time!**

### Stained Glass Monthly Project Class (\$35.00)

**April 27, 2024 --- 10:00 - 3:00 PM**

This stained glass project will consist of creating one 5"-6"" panel each month for six (6) months based on the design shown. The last class will be held for the final assembly of all pieces previously created. This is a fun filled class that meets each month to create these panels. You get to choose your glass for these panels and everything will be provided each month to include the pattern, tools, supplies, glass and instruction. And best of all it's very affordable. What a great way to learn this craft and learn to create small panels using various techniques. Then bring all your panels in for final assembly of a large (approx. 20") complete traditional stained glass window. Please enroll early as this class fills quickly.

**May 3, 2024 --- 12:00 - 5:00 PM --- Workshop Time!**

This time, you'll get to take home a completed a Stained Glass Panel using this truly groovy technique. Stained glass foil overlay is such a cool way to add depth and detail to your projects, and we'll show you exactly how to do it. You'll leave the class with a gorgeous stained glass panel that you can proudly display in your home. Don't worry about bringing anything - we've got all the tools, supplies, and instruction covered. Just come ready to learn and create something beautiful!

### Fused Glass Honeycomb Class (\$55.00)

**May 11, 2024 --- 10:00 - 5:00 PM**

Hey there! 🐝 Let's get crafty and make a super cute honeycomb panel together! In this class, you'll learn how to cut glass and use grinders like a pro. Plus, you'll have the option to add some iridescent glass for a little extra shimmer on your bee buddies' wings. You can even choose if you want your honeycomb panel to hang or stand upright. The finished size will be around 5-6 inches. Don't worry about bringing a thing - all tools, materials, and instruction will be provided for you. And once you're done, you can pick up your finished project the following weekend, as your glass projects will need to be fired and melted together in the kiln. I can't wait to create some buzzworthy art with you! 🐝
