How Vo'sri Works

Smarter, Safer, and Faster School Dismissal

What Is Vo'sri?

- A digital dismissal platform that helps schools:
- ✔ Automate parent check-ins
- ✔ Notify classrooms instantly
- ✔ Dismiss students faster & more securely

- Built for busy schools. Loved by staff and parents.

Dismissal in 3 Easy Steps

- 1. Parent Check-In
- 2. Student Notification
- 3. Smooth Pickup

Step 1 – Parent Check-In

- - App or QR code-based check-in
- - Optional: Geofence auto check-in
- - Supports multiple guardians
- - No app download required for QR

- "I check in while pulling into the driveway." – Parent

Step 2 – Instant Classroom Notification

- - Real-time classroom alerts
- - No walkie-talkies needed
- - Guardian identity + pickup method shown
- - Works for carline, walkers, and after-care

- "Every staff member knows what to do." – Teacher

Step 3 – Smooth & Secure Pickup

- - Staff confirms handoff with one tap
- - Dismissal automatically logged
- - Faster carline flow
- - Works with multiple dismissal modes

- "Dismissal dropped from 45 minutes to under 20." – Principal

Why Schools Love Vo'sri

- ✔ Shorter carlines
- ✔ Happier staff
- ✔ Confident parents
- ✔ Fewer errors
- ✔ Live reporting
- ✔ FERPA-compliant

Built with Safety in Mind

- - FERPA compliant
- - Role-based access
- - Data encrypted in transit & at rest
- - No student photos stored without approval
