I know I'm not going to understand women. I'll never understand how you can take boiling hot wax, pour it onto your upper thigh, RIP the hair out by the root... and still be afraid of a spider.

I threw my back out while sleeping, tweaked my neck when I sneezed.

I'm one fart away from paralysis!

ANGER IS LIKE A HOT COAL. IT ONLY BURNS THE HAND THAT HOLDS IT.

THOUGHT FOR THE DAY

During my 55th high school class

reunion, I spotted an old friend. "Bill!" I shouted. "You look exactly the same as you did in high school." He nodded. "Now I know why I never got a date in high school!"

It was so hot

this last summer that the aliens stopped making crop circles and are landing in Antarctica to make snow angels.

All I could think when I got the e-mail sent to all University of Georgia staff members was, What a bunch of wimps! The subject line screamed "Statewide Severe Weather Drill Wednesday." When I open the message, it read "In the event of bad weather the drill will be rescheduled to Friday."

Well standing in line for confession. I overheard a woman whispered to her friend, "I really don't know why I'm going to confession. I've been so busy, I haven't had a minute to sin!"

My ex-wife was deaf. She left me for a deaf friend. To be honest, I should have seen the signs.

I don't know why I never thought of this before. I was washing my hair the other day and I noticed that on the bottle it said: "ADDS EXTRA VOLUME AND BODY." No wonder I've been gaining so much weight!!! Well, got rid of the shampoo and I am going to start using Dish Washing Liquid instead. The label reads: "DISSOLVES FAT THAT IS DIFFICULT TO REMOVE." Problem solved! If I don't answer my phone, I'll be in the shower!!

I was shocked that everyone in the US drinks bottled water. I come from Finland, where the tap water comes from natural springs and even tastes better than bottled. Which is great for dogs and Alcoholics: they can drink directly from the toilet!

CASH OR CHARGE? I asked the woman while helping her with her close purchase. As she was looking for her wallet, I noticed a remote control for a television in her purse. "So," I asked, "do you always carry a TV remote?" "No," she replied. "But my husband refused to come shopping with me, and I figured this was the most evil thing I could do to him legally!"

I had a Velcro wallet in a casino. That sound annoyed the hell out of me. Whenever I lost money and I opened the wallet, it was like the sound of my addiction.

The Nazis wanted to take over the world. The only good idea terrorists have come up with is: "Why don't we blow ourselves up?" That's good, that's really good you should do that.

Mitchie had a problem with body odor, so he went to see the doctor. "Do you wash?" "Every morning", Mitch replied. "I begin at my head and wash down as far as possible. Then I begin at my feet and wash up as far as possible." "Well," the doctor said, I suggest you go home and wash possible!"

These parents came over for dinner. My bride roasted a beautiful Turkey, which she brought to the table on the silver tray. With a very sharp knife I carved it into lovely piles of thinly sliced white and dark meat. I smiled at my father-in-law, a well-known surgeon, and said, "How was that for a stunning bit of surgery?" He laughed and replied, "Not bad. Now let's see you put it all back together again!"

Surfing the net, I came across a movie poster of a man and woman kissing passionately in the pouring rain I called my husband over, "How come you never kiss me like that?" He studied the sodden couple. "Because we haven't had that much rain!"

Wait, it's always been a problem. When I'm hungry I don't think right. The other day I woke up, had a craving for nuts. So, I spent the whole day with my wife and her mother!

I was up in Montana last winter period it got so cold one night the lottery balls retracted into the machine.

Our agency helps people figure out their marital woes. One man who came to us seemed to have solved his own problems even before he chatted with anyone. On the registration form, under marital status, he wrote, "devoiced!"
