It was Palm Sunday, and
 Mary's four-year-old son stayed
 home from church with his
 father, because he was sick. When his siblings
 returned home carrying palm branches, the
 little boy asked what the branches were for.
 His mother explained, "people held them
 over Jesus's head as He walked by." "I can't
 believe it," the boy said. "I missed
 one Sunday, and Jesus shows up!"

What kind of dance does a
 butcher go to? A meatball!

When my college-age daughter
 locked the keys in her bright yellow
 1978 station wagon and shopping
 center, she flagged down a police officer
 asking for help in retrieving them. He asked
 if she could prove that the car was hers. "Take
 a look around," she suggested." If I wanted to
 steal a car, would I choose this one?" "Right,
 he said, and opened the door.

Why did the boy eat the lamp?
 His mother told him to have a light snack!

It isn't only the students that can be dumb. Setting down to take a test, Jimmy remarked to the teacher that he'd gone out and bought a nickel eraser specifically for the occasion." That's nice said the teacher, but wouldn't a rubber one be more effective?"

Before signing a \$17 million deal with the Green Bay Packers, defensive and Reggie White, who is also a Baptist minister, had said he would look to God to tell him where to play. Later, Green Bay coach Mike Holmgren confessed. That he had left a message on White's answering machine that said, "This is God, Go to Green Bay."

CARRIE AGUILLON

This happened yesterday and is important information for our age group. Especially those of us over 65. A friend had his 3rd dose of the vaccine, the "booster" at a CVS pharmacy, after which he began to have blurred vision on the way home. When he did get home, he immediately called the pharmacy for advice about seeing a doctor, or to be hospitalized. He was told NOT to go to a doctor or the hospital, but to immediately return to the pharmacy and pick up his glasses.

"I see the neighbors have returned our grill," the wife commented to her husband, "they had it for eight months. I was afraid they would move and take it with them." "That's our grill!!" Shouted the husband. "I just paid \$20 for it at their yard sale!"

Most people don't know that back in 1912, Hellman's Mayonnaise was manufactured in England. In fact the Titanic was carrying 12,000 jars of the condiment scheduled for delivery in Vera Cruz Mexico, who were crazy about mayonnaise and were eagerly awaiting its delivery. Needless to say they were heartbroken at the loss. Their anguish was so great that they declared a National Day of Mourning. The National Day of Mourning occurs each year on May 5th and is in known, of course, as SINKO DE MAYO

I miss being able to slam my phone down when I hang up on someone. Violently pressing "END CALL" just doesn't do it for me!

My friend Jim told me that when he asked his wife where she wanted to go on vacation, she said that being married to him was a vacation. When I commented that that was a really nice thing to say to him, Jim replied, "well, actually, what she said was, 'I was the last resort.'"

The coed came running with tears to her father." Dad you gave me some bad advice!" "I did? What?" "You told me to put my money in that big bank, and now that big bank is in trouble!" "What makes you say that?" Asked her confused father. "They just returned one of my checks with an old saying, "Insufficient funds!"

A penny saved, is a government oversight!
