### We have seen it all.

We have done it all. We have been around the block. We're living large, we're so in charge. Old ladies? What a crock. We've just began to have our fun! We've earned each little wrinkle. Say it loud! We are downright proud and when we laugh, we tinkle. Real women feel it's no big deal to add another candle. We're old! We're bold! We're solid gold. There's nothing we can't handle!

**Do you know why God** did not allow our pets to speak? To teach us that love and loyalty are demonstrated by actions, not words.

### Having plans sounds like

a good idea, until you have to put on clothes and leave the house!

### Three men of God were asked

the same question, "When does life begin?" The Catholic priest answered: At the moment of conception, The Anglican Vicar replied: "When the child is born. And the rabbi said: "When the children are married, and the mortgage has been paid off!"

### To bathe a cat takes brute force,

perseverance, courage of conviction, and the cat. The last ingredient is usually hardest to come by!

### When my cats are not happy,

I'm not happy. Not because I care about their mood, but because I know they're just sitting there thinking up ways to get even.

### The wife was keeping a close watch

on her new neighbors. "They seem perfectly devoted to each other," she told her husband.

"He kisses her every time he goes out, and even blows kisses to her from the window. Why don't you do that?" "I hardly know the woman."

### Bowing to political correctness

and pressure from Native Americans, the Washington Redskins have changed their name. They will now be known as the Washington Tampons – a name chosen because the team is good for only one period and doesn't have a second string.

**Old Finkelstein's health** was failing, so his family decided to send him to Palm Beach for two weeks. But as the short vacation drew to a close, the old man died, and his body was shipped back to New York. As his family gathered around the open casket to pay their last respects, a nephew remarked: "doesn't he look wonderful?" "He sure does," said the cousin. "Those two weeks in Palm Beach did him the world of good."

**A Jewish man** was knocked down by a car. The paramedic loaded him onto a stretcher and asked: "are you comfortable?" "I make a good living," said the Jew.

**Mr. and Mrs. Roberts** had reached the airport, just in the nick of time to catch the airplane for their vacation in the Bahamas. "I wish we'd brought the piano with us," said Mr. Roberts. "Why on earth would we bring the piano?" asked his wife. "I left the tickets on it."

**The Sunday school teacher** asked her young class, "why is it necessary to be quiet in church?" One boy answered, "Because people are sleeping." The school teacher could only groan!
