During a state visit to Great Britain,

President Ronald Reagan purportedly went horseback riding with Queen Elizabeth. At one point, one of the horses passed gas quite loudly. The Queen apologized saying,

"There are some things even royalty can't control." Reagan replied, "I'm glad you told me, or I would've thought it was the horse."

Not in jail, not in a mental hospital, not in a grave - I'd say I'm having a very good day.

I swear, the other day I bought a packet of peanuts, and on the packet it said "may contain nuts." Well, Yes! that's what I bought the buggers for! You'd be annoyed if you opened it and a socket set fell out!

Who knew that the hardest part of being an adult is figuring out what to cook for dinner every single night for the rest of your life until you die!

I tried donating blood today... Never Again!! Too many stupid questions. Whose blood is it? Where did you get it from? Why is it in a bucket?

Instead of cleaning house, I just watch an episode of Hoarders and think Wow my house looks great!

Don't let them take the temperature on your forehead as you enter the supermarket, it's a government plot to erase your memory. I went for a bottle of milk and a loaf of bread and came home with a case of beer and 12 bottles of wine!

I grew up with Bob Hope, Steve Jobs, and Johnny Cash. Now there's no jobs, no cash, and no hope. Please don't let anything happen to Kevin Bacon.

There's nothing scarier than that split second when you lose your balance in the shower and you think, "THEY ARE GOING TO FIND ME NAKED!"

Wouldn't it be wonderful if we could
 put ourselves in the dryer for 10
minutes, then come out wrinkle
free.... and three sizes smaller?

I have decided to stop calling
the bathroom 'The John' and renamed
it 'The Jim'. I feel much better saying
I went to 'The Jim' this morning.

My boss arrived at work in a brand-new
 Lamborghini. and I said,
"Wow, that's an amazing
car!" and he replied, "If you
work hard, put all your hours in, and strive for
excellence, I'll get another one next year!"

And a neighbor knocked on
my front door at 3:00 AM... 3AM!
Luckily, I was already up playing the
bagpipes.

If you see me talking to myself, just
 move along. I'm self-employed.
We're having a meeting. "Your call
is very important to us please enjoy
this 40-minute flute solo."

Tip for a successful marriage:
don't ask your wife when dinner will
be ready while she's mowing the lawn.

I don't care how nice the hand
soap smells... you should never walk
out of the room restroom sniffing
your finger....

What did our parents do to kill
boredom before the Internet? I asked
my 26 brothers and sisters and they
didn't know either.

to get your wife's

Just sit down and
look comfortable.

Today I made a decision to

go to my childhood house. I asked
the residents if I may come inside
because I was feeling nostalgic,
however, they refused and slammed the door on
my face. My mother and father are the worst!

"Do you think you could bring me

having"? The waiter looks at him
sternly, "No Sir, I'm very sure he
intends to eat it himself."
