A man stole a chunk of beef from a supermarket. As he ran out with the beef under his arm, a security guard spotted him and shouted "what are you doing with that? The thief shouted back "roast potatoes, carrots, and Yorkshire pudding."

"HEY, YOU!" the ranger yelled.

The sign says, "No Fishing!" I'm not fishing!" the man yelled back.
"I'm teaching my worm to swim!"

"SIERRA VISTA'S PREMIER CEMETERY"

Saint Peter is sitting at

the Pearly Gates when two guys wearing dark hoodies and sagging pants arrive. Saint Peter looks out through the Gates and says, "Wait right here! I'll be right back." Saint Peter goes over to God's Chambers and tells him who is waiting for entrance. God Tells Saint Peter, "How many times do I have to tell you? You can't be judgmental here. This is Heaven. All are loved. All are brothers. Go back and let them in." Saint Peter goes back to the gates, looks around and lets out a heavy sigh. He returns to God's Chambers and says, "Well, they're gone!" "The guys wearing the hoodies?" asked God. "No, the Pearly Gates.!"

Any husband who says,

"My wife and I are completely equal partners." Is talking about either a law firm or hand of Bridge.

My son, a used car dealer,

showed his customer a 2005 Chevy in great condition. It is only \$7000," he told the man. "I'm willing to give you \$3500," said the customer. My son feigned disappointment, "If at all possible," he responded. "I'd like to sell you the whole car!"

The other day I read in the paper,"

A woman has been murdered in Los Angeles by a 36-year-old man who has not been named."

I thought: "36 years old and he still hasn't been named? What's everyone's been calling him all these years?"

Maxine Says:

- You know it's cold when your teeth are chattering, and they are still on the night table.
- I was caught without earmuffs during the sudden cold snap but was able to improvise with an old, padded bra.
- I'd shovel my walk except for one reason. Visitors might come in.
- I'm right on schedule. Winter is half over and I'm half frozen.

Saving for a new car on a teacher's

salary takes a while. So, in the meantime, a mechanic friend loaned me an old Junker so beat up, even its dents had dents. I came out of school one day to find a police officer and a woman examining it. "What's going on?" I asked, "I saw her hit your car," the cop explained. "But I can't figure out where!"

When his house went up in flames, my brother-in-law watched firemen fight a losing battle to save the greenhouse. One firefighter tried to console him: "We couldn't get the plants out" he apologized, but we did water them!"

The invisible man married an invisible woman. The kids were nothing to look at.

My friend had been pounding the pavement in search of a job with no luck. Frustrated she asked her dad to look at her resume. He didn't get much further than the first line of her cover letter before spotting the problem. "Is it too generic?" She asked. "I doubt it," said her father. "Especially since it is addressed, "Dear Sir or Madman!"

A woman I know has been married so many times she has rice marks on her face.
