An aspiring veterinarian put himself through veterinarian's school working nights as a taxidermist. When he graduated, he decided he could combine the two occupations. On the door of his new business: "Dr. Boone, Veterinary Medicine and Taxidermy: Either Way, You Get Your Dog Back!"

I hate it when I can't figure out how to operate the iPad and my tech support guy is asleep. He's 5 and its past his bedtime!

Pride is what you feel when your kids made that hundred dollars from a garage sale. Panic is what you feel when you realize your car is missing!

My wife was grading a science test at home that she had given to her elementary school class and was reading some of the results to me. The subject was, "The Human Body," and the first question was: "Name one of the major functions of your skin." One child wrote, "To keep people who look at you from throwing up."

I accidentally rear ended a car while driving our funeral home van. The couple was unhurt, but the drivers seem shaken. When we exchanged information, I remarked that her name sounded familiar. "That's because we made our funeral arrangements with you six months ago," she said, "but we never thought you'd come looking for us!"

Soon after being transferred to a new duty station, my Marine husband called home one evening to tell me he would be late. "Dirty magazines were discovered in the platoon quarters", he said "and the whole squad is being disciplined." I launched into a tirade arguing that Marines should not be penalized for something so trivial. My husband interrupted, "Honey, when I said, "dirty magazines" I meant the clips from their rifles hadn't been cleaned."

Hear about the woman who sent out 40,000 valentine cards doused in French perfume and signed, "Guess who?" She's a divorce lawyer.

My wife said to me, "if you won the lottery, would you still love me?" I said, "of course I would. I'd miss you, but I'd still love you."

One of the deceased at our funeral home

was a farmer who had suffered a heart attack while helping a cow in labor. The headline on his obituary read: "Mr. Jones Dies While Giving Birth to a Calf!"

A lifeguard told her mother to make her young son stop peeing in the pool. "Oh, what's the big deal?" The mother protested. "All kids from time to time will be in a pool." "Oh really? Asked the lifeguard. "From the diving board?"

THOUGHT
FOR THE DAY

Kid: I'm really worried. My dad works 12 hours a day to give me a nice home and food on the table. My mom spends the whole day cleaning and cooking for me. I'm worried sick! Friend: What have you got to worry about? Sounds to me like you've got it made! Kid: what if they try to escape?

A teenager was having trouble learning to balance his checking account. His mom informed him, "the bank returned the check you wrote to the sporting goods store." "Oh, good," he said. "I can use it to buy a new iPad!"
