**On our first day at a resort,** my wife and I decided to hit the beach. I went back to our room to get something to drink and found one of the hotel maids making our bed. I grabbed my cooler and was on my way out when I paused and asked, "Can we drink beer on the beach?" "Sure," she said, "but I have to finish the rest of the rooms."

## Anyone with toddlers knows that trying

to control them is like herding cats. So, I was impressed with a parenting trick used by my husband. Our two-year-old bolted out of the van in a busy parking lot, but my husband, Bill, got him to stay put by shouting, "Hands on the van!" "Where did you learn that?" I asked. "From that TV show?" "Supernannys or Nanny 911?" I asked him. "No," he said, "Cops!"

**What do you call your dad** when he falls through the ice? A Pop-sicle.

## Wondering what to engrave on the

inside of my husband-to-be's ring? I turned to my sister and said, "I want something that has meaning and will remind him of me." Her suggestion: "put it back on!"

**The remote for our television broke**, so my son went to get a new one at the electronics store. Later he called. "Mom, I forgot to bring it with me. What's the brand?" I glanced at it, "It's a Volch. "It's a what?" I asked her, she spelled it for me VOLCH. "Mom," he sighed that's short for volume and channel!"

**I'm considering getting a job** cleaning mirrors. It's something I can see myself doing.

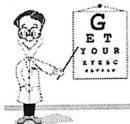

## A girl named Ruth quit working

at our office. I've been referring to the office as 'ruthless' ever since then.

**Q: What's another name for** an eyedropper?

A: A clumsy ophthalmologist.

"I thought you were going to count calories," Lois gently reminded her friend Carla as she consumed her second milkshake." "Oh, I am," said Carla. "So far today, I'm at 5,760

Two neighbors appeared in court, each woman accusing the other of causing trouble in the building." Let's get to the evidence," the judge said in an effort to end their bickering." I'll hear the oldest woman first "he said. The case was dismissed for lack of testimony.

### Although desperate for work.

I passed on a job that I'd found on an employment website. It was for a wastewater treatment plant operator. Among the job requirements: "Must be able to swim."

Wife: "Honey did you notice

I bought a new toilet brush?"

Husband: "Yes I did but I still prefer the paper."

Did you know that Americans

spend \$48 million on lottery tickets last year? "What are you doing for your retirement?" "Uh, Powerball."

Due to the recession, the light at  
the end of the tunnel will be turned off.  
GOD

Most businesses like that our

credit card machines automatically print," thank you and come again," at the bottom of our receipts. The one guy called to ask if I could take it off. "Sure," I said," but do you mind my asking why?" "It just seems inappropriate," he answered. "We are a funeral home."

## On our parents 50th wedding

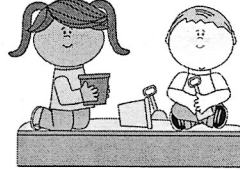

anniversary, I remarked to my father that he and mom never seemed to fight.

"We've battled," he said, "but it never amounted to much. After a while, one of us always realized that I was wrong."

## When I was little

we had a quicksand box . I was an only child... eventually.

JUST REMEMBER,  
NOTHING LASTS  
FOREVER.

THOUGHT  
FOR THE DAY

## A police officer jumps into

his squad car and radios the station. "I have an interesting case," he says. "A woman shot her husband for stepping on the floor she just mopped." "Have you arrested her?" asked the sergeant. "No, not yet, the floor is still wet!"

## "I've never flown before,"

the nervous old lady told the pilot." You will bring me down safely, won't you" "All I can say, ma'am, is that I've never left anyone up. Yet!"
