**The next time I move** I hope  
I get a real easy phone number,  
something like 222-2222. People will  
ask, "How do I get a hold of you?"  
"Just press 2 for a while. When I answer, you'll  
know that you've pressed 2 long enough."

I lived in New York and she lived

## Dear God

Why do you allow so much violence in our schools?

*Signed, A Concerned Student*

Dear Concerned student,  
I'm not allowed in schools!

**Being a little older,** I am very fortunate to have someone call and check on me every day. He is from India and is very concerned about my car warranty.

**As Bill and his platoon** of recruits were marching, their Sergeant slipped and tumbled down a ravine. The irate Sergeant scrambled back up amid guffaws and barked, "those who laughed get down and give me 20." Bill and some of the others fell to the ground quickly and did their push-ups. Meanwhile, the Sergeant glared at the others. "As for the rest of you, get down and give me 40 for lying!"

**If God meant us** to be naked, he would have made our skin fit better.

**The Bachelor:** Have you seen any of this? Like how all these bachelors have nice clothes and they're rich and they have flowers in their house and stuff. Do any of you know any

bachelors like that? All the ones I know are sitting in their underpants watching ESPN with pizza boxes piled high. That's a real bachelor!

**After years of using** the same perfumes, I decided to try something different and settled on a light, citrusy fragrance. The next day I was surprised when it was my little boy not my husband, who first noticed the change. As he put his arms around me, he declared, "Wow, Mom, you smell just like fruit loops!"

## My mom has been nagging

my father to take up a sport, so he took up bird watching. He's very serious about it. He bought binoculars. And a bird!

## How hot is it?

It's so hot that I saw 2 palm trees fighting over a dog.

## Times are really strange

now first there was a baseball strike and the basketball strike, then the hockey strike. Man can't handle this. It's making them act strange. For example, it was reported a married man actually got up from the couch the other day and got himself a beer!

## Corine considered

the colors (palest green, gray, and lavender) and texture like the finest velvet. And I wondered, how long have these cold cuts been in my refrigerator?
