*Paul and I were born to cook. In fact, if you had asked each of us what we wanted to be when we grew up, our answer would have been an emphatic 'Chefs!' It is no wonder then that the two of us would truly become a match made in the kitchen.*

*It is our shared love for all things food that inspires us, as a dynamic husband and wife duo, to create quality home-cooked meals and we take no greater joy than serving up delicious cuisine for our patrons here at Main St. Delicatessen.*

*Since 2013 our family-owned and operated business has evolved to where it is now and we are proud to call 172 Manitoba St., a landmark with over 100 years of history, our home.*

*Our ultimate goal is to create an experience that leaves an everlasting impression each and every time we have the honour of hosting you.*

*Thank you!*

*Jovan Milidoni*
