

BIG LOST

MEADERY

Mead is the world's oldest fermented beverage. Made from honey, mead was a favorite of every culture that loved to party down. Our meads are flavorful, mellow, and perfectly suited for sipping with a damsel by candlelight or knocking back from a ram's horn before sacking the nearest nunnery. So get lost in a good drink and get your pillage on!

MEAD

| 5oz pour \$5 | 3oz shot \$3 |

Wild Man | 18% — Traditional honey mead with slight oak finish
