

# Mekhla Na'vi Jordan

## Ms. Universe Official USA - 2025

Ms. Jordan is an enthusiastic Human Rights Ambassador and an international pageant expert. Her platform focuses on educational programs for youth and people with disability, career development, and defeating hunger. Breaking away from bonds of cultural servitude, her leadership is about uncovering opportunities for women and under privileged youth. Mekhla generates a positive influence in the community through her life examples and robust strategies to overcome challenges. Her dedication to excellence and privilege to represent diverse communities continues to afford her reasons to leverage the pageantry platform and voice hope with fearless faith. Her long-term goal is to influence communities that intelligence, bravery, compassion, and being fierce are characteristics to be embraced and celebrated regardless of gender or ethnic backgrounds.
