

# High Speed Internet Access

*HSIA service is being offered at this hotel free to our hotel guest.*

## *How to use the Wireless High Speed Internet:*

### **Turn on your computer**

1. Right click the wireless network icon in the lower right corner of your screen, and then click View Available Wireless Networks.
2. The Wireless Network Connection window should appear and you should choose "Best Western Plus". There are several "Best Western Plus" wireless relays in this hotel, so connecting should be easy.

## *How to use the Wired High Speed Internet:*

1. Starting with your computer off, connect the Ethernet cable to the Ethernet port on your computer. **{If you don't have the Ethernet cable with you, the Ethernet cable is able at the Front Desk. Please return the Ethernet cable when you are done using it or at the time of check-out}**
2. Turn on your computer.
3. Launch your web browser and bring up a web page.

## *Technical Support:*

Technical support is available 24/7 at (800) 574-6381 for assistance. Be prepared to provide the name and the location of the hotel, (BEST WESTERN PLUS Lonoke Hotel, 102 Dee Dee Ln., Lonoke, AR 72086), your name and room number. This is needed in order to process your call as quickly as possible.
