Residents of Mosquito/Swansboro

The Mosquito Fire Protection District has the opportunity to host COVID-19 vaccinations and our members will be able to provide this level of service to our community. We are seeking your assistance to determine who would like to receive the vaccination in our community. Starting April 15, 2021, free COVID-19 vaccinations will be available to anyone 16 years and older in El Dorado County. Exact dates and times to be determined. The location will be at your local Community Fire Station 75, 8801 Rock Creek Road, Placerville, CA. If you, a family member, or friend wishes to participate, please contact me by email at [jrosevear@mfpd.us](mailto:jrosevear@mfpd.us) or call Fire Station 75 at 530-626-9017.
