

# Blog Writing

## Adding Credibility to your Business

### Blog Ideas

- We can come up with ideas for themes to be used
- Alternatively, we can use your ideas and bring them to life for you

### Research

- We will fully research the subject matter and ensure that any facts quoted are correct

### Writing

- Our in-house team will create the content of the blog
- The content is signed off by you before going live and can be amended as desired

### Posting

- We will post to your website and social media platforms and can do so at times that suit you
