Valhalla Two Association **Letter from the President** May 13, 2025

Dear fellow home owners.

The following letter is a brief review of events that occurred in 2024 and the decisions that will affect the 2025 budget. In 2024, no significant expenses were incurred.

Total association income for 2024 is \$120,399 The total estimated budget needed in 2025 which includes an estimated 15% increase will be \$138,459. Items that are included in the 15% increase would include staff salaries, utility costs and fees as well as Building 2's share of overall Valhalla expenses.

The yearly HOA/assessment amount is based on the need to replace funds into our Reserve account for the upcoming 2025 year. The current on-going project(s) (is/are) as follows:

\$987
\$1,580
<u>\$2,434</u>
\$5,001
\$10,248
\$36.309.89

Reserve 1 \$41,842.34 Reserve 2 \$5,000.00 Total Cash on Hand \$83,152.23

The Board of Directors of the Building 3 Association has reviewed the budget expenses and reserve balance. We are proposing a 15% increase in the HOA fee. No further assessment will be required at this time to meet our required 2025 reserve fund balance.

The proposed building HOA increase are as follows:

- Ownership 5.8% = \$672.61
- Ownership 4.4% = \$510.26
- Ownership 3.1% = \$429.08

I realize that this is a significant HOA amount increase for the upcoming year. Unfortunately, this assessment is necessary in order to keep us on track towards adequately funding our projects and preparing for a potentially large insurance increase as well. If you have any questions or concerns, please feel free to contact any one of the following board members:
