

## TOP THAT FUNDRAISER APPLICATION:

### What is my responsibility?

You are responsible for promoting your event. Try hanging posters, sending emails, posting to social media to spread the word. The more people you bring in the more money your organization receives. Only fundraiser attendees' sales will be counted towards the total. Please hand out flyers your attendees can bring in to ensure their purchases are counted.

### How much will my organization receive?

After your event, we will add up the receipts from your attendees and you'll receive a check for 20% of the net sales (total sales minus sales taxes).

### Fundraising Details:

We host fundraisers Monday-Thursday nights from 5pm-8pm (hours can be adjusted slightly with enough notice if necessary).
