CHANNEL VENISIO SLIM | EXTRA-FLAT CHANNEL FOR WALK-IN SHOWER

5
YEAR
Guarantee

Ideal for small spaces and designed for renovation, the **VENISIO SLIM** shower channel combines compactness performance, while bringing a touch of design to the bathroom.

1 A PERFECT FINISH

Fine-tune the frame height by using the adjustable supports (+2mm). Compatible with tiles with a thickness between 8 and 16mm.

2 EXTRA-FLAT

Only 50 mm disbursement height needed.

3 MEMBRANE TRAP

Replaces the water trap for unrivaled performance. Equipped with an anti back-siphoning system, it guarantees no smells, because it replaces the water seal. The membrane is removable and accessible from above.

4 TOTALLY WATERPROOF

For best results use with a self-adhesive butyl band (provided in the pack) and a plaster sealant (not included) for perfect watertightness.

5 EASY TO ADJUST

Divisible, ball-joint feet. Adjustable height.

6 POST INSTALLATION ADJUSTMENT

Grid height adjustable with spacers supplied.
