Family Bat Photo Challenge – Swing Into Fun!

Last Christmas, we gifted our client contractors and employees a cricket bat as a small token of appreciation. Now we'd love to see them in action! Share a photo of yourself or your family enjoying a game — in the backyard, at the park, or wherever you play. The most fun and creative shots will be featured in our next issue.

Shrug It Off — Winter Is Ending

Winter is drawing to a close, and brighter spring days are ahead. For many of us, spring is more than a change in season — it's a chance to reset, recharge, and bring fresh energy into our careers and personal lives. Longer days and renewed momentum open the door to new opportunities, growth, and connection. At AZG, we're stepping into spring with a clear outlook, ready to support our community and deliver meaningful work together.

Coming Soon: Free Mental Health Support

We're proud to be launching a new Employee Assistance Program (EAP) for our employees and client contractors. This means confidential, professional mental health support. Whether it's managing stress, dealing with challenges, or simply needing someone to talk to, you'll be able to book sessions easily. Your wellbeing is important to us, and we want you to feel supported every step of the way.

It's normal to have tough days — what matters is having the right tools and people to lean on. By introducing this service, we're making sure support is available when you need it most, helping you stay healthy at work and at home.
