

# September 2019 Newsletter

Happy fall from Thinker Garden  
Learning Center!

---

## Announcements

---

- The school year has started here at Thinker Garden, and we are off to a great start! Lots of growth has taken place over the last few weeks, and we cannot wait to tell you about it! We have added a new teacher to our family, and have enrolled four new students in the last two weeks.
- You've probably noticed that it feels more like fall inside the school than it does outside, and that is because we've rearranged our lobby! While it is still a work in progress make sure to check out the new location for the sign-in/sign-out book and the new fall bulletin board!
- If you check our website you will see that it too has changed. We have redesigned our website and added lots of great content for both current and future families. We encourage you to check it out and share it with your friends. If you look closely, you'll likely find a picture of your child somewhere on the website!
- We are eagerly awaiting the arrival of our uniform shirts to come in, but it has taken longer than expected at the embroidery shop. Until we have the shirts in, we will not be strict with enforcing the dress code. We want to say thank you to our parents who have already started dressing their children in outfits similar to what the uniforms will be! The children look so precious and we appreciate your effort.
- If you look at our monthly menus you will notice it is only two pages instead of the usual three. This is because we have combined the breakfast and lunch menus to reduce paper consumption! All the information is still there, but in a more condensed form.
- We are going to start a gardening project with the children! Mrs. Payne and the kids will be planting different fruits and veggies in the school garden as a way to help teach them about the science behind plants and get them excited about eating healthy! We will be planting peppers, grapes, tomatillos, and more!

---

## Meet Mrs. Tippins!

---

Mrs. Tippins (or Ms. Jacky) is the newest teacher to join the Thinker Garden Family! We are so blessed to have her with us, and the students are really enjoying her presence.

Mrs. Jacky has over five years of early childhood education and has her associate's degree in early childhood education as well as her director's certificate. She is married, has one daughter, and three beautiful grandchildren.

Mrs. Jacky effortlessly creates a calm and inviting atmosphere in her classroom. She has done a great job of making a safe and happy environment for our students to learn in, and they are already flourishing in it.

## Parent's Night Out

---

Parents, we have an opportunity that you do NOT want to miss! On Saturday October, 10<sup>th</sup> we will be hosting our very first Parent's Night Out! This will be an opportunity for you to spend some time with your spouse, significant other, or your friends while we watch your children. The event will run from 6-10 pm and take place right here at Thinker Garden!

This event is open to the public, so please help us out by sharing the flyer with your friends, family, and neighbors. As our parents we will be providing you all with the first opportunities to register, and you will maintain priority over those that are not enrolled at the school. Registration is open now and is only \$30/child, but if you register before September 16<sup>th</sup> you will get \$5 off! You can register at any time by calling the school or talking with Ms. Campbell. You will find a flyer attached to this newsletter!

# September
