What Role Can I Play As A Democrat in Hillsborough Township?

Monthly meetings on the 1st Wednesday of each month keep members informed on timely topics. Social gatherings help residents get to know each other including walks at Duke Farms and barbecues. Community service projects include collecting for the food bank, high school scholarships, and adopting families for holiday gift giving. **We have an ongoing successful Mail In Ballot Initiative that makes a difference to get our Democrats elected!**

Dem Candidates for Township Committee 2022

In Hillsborough, there are more voters registered as **D**emocrats than any other party.

...but we need more actively engaged participants to win a democratic voice on our Township Committee and on politically appointed municipal boards.

Quality leadership to represent you is only a vote away!

We need your support!
