

Ready for take-off?

Get your aviation career off the ground with a combined Bachelor of Business and Commercial Pilot's Licence.

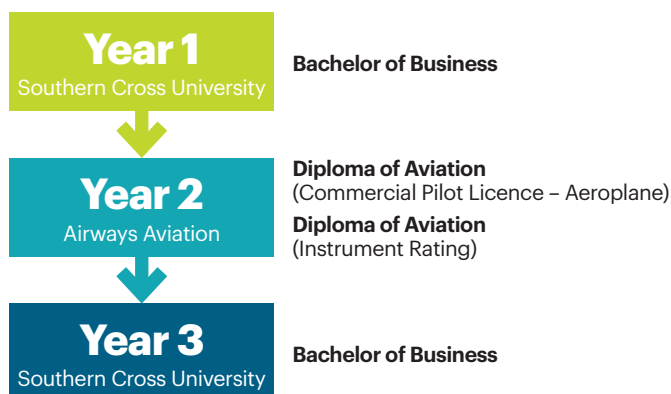

Study at the beautiful Gold Coast, just a few hundred metres from the beach and right next to an international airport.

Southern Cross University and Airways Aviation offer a unique opportunity for students to complete a **Bachelor of Business**, a **Diploma of Aviation (Commercial Pilot Licence – Aeroplane)** and **Diploma of Aviation (Instrument Rating)** over three years.

Why study for a university degree with your pilot's licence?

- Commercial airlines require pilots to hold a university degree
- Pilots with management skills are preferred candidates
- Expand your career options within the aviation industry.

The Bachelor of Business develops the practical skills for decision-making and the capability to recognise and act on opportunities. First year includes foundational business units in law, accounting, economics, management, marketing and statistics.

In second year, students complete two Airways Aviation courses approved by the Civil Aviation Safety Authority (CASA). The Diploma (CPL) comprises of two pilot licence types Private Pilot Licence (PPL), and Commercial Pilot Licence (CPL). The Diploma (IR) offers advanced flight training conducted on a multi-engine class aeroplane.

In third year students return to Southern Cross University to complete their studies in strategy, entrepreneurship and a focus on aviation management.

A globally recognised University experience

Southern Cross University is located adjacent to the Gold Coast International Airport, offering a modern campus with views to the Pacific Ocean and the airport runway. Southern Cross University is one of the Asia-Pacific's top Universities as recognised by the Times Higher Education World University and QS World University rankings.

The University has a strong focus on industry and community collaboration to produce outstanding teaching and research outcomes.
