Certification

Certificate of Conformity

Certificate Type : Class "A" Test Certificate

Test Method : Gravimetric Method

Item Name : Measuring Cylinder

Sr. No. : 501

Nominal Capacity : 100 ml

Tolerance : 0.50 ml

The devices used in the test has been calibrated & certified by NIIRT and accredited by NABL against lab standards whose values are traceable to standards maintained at NABL.

We hereby confirm that the MEASURING CYLINDER has been tested and found to comply to the accuracy for Class "A" as per relevant ISO specification with actual capacity to 100.17 ml at a temperature of 27°C.

Calibrated by : Isuf Khan

Date of issue : 17-04-2017

Authorised Signatory

Registered Office:- V&S Laboratory 225A Megdoot Shopping Center, Opp. District Court, Nashik 422001
