I am a member of the Valley View High School Athletic Booster Club. The Booster Club at Valley View High School works in a cooperative effort to support every sports program and to uphold and encourage student athletes. Funds established by the Boosters are used to support all of our student athletes.

We are currently planning the 9th Annual VVAB Golf Outing on Friday, August 10, 2018 and are looking for hole sponsors and or other merchandise from your business to be used for a raffle or door prize at our event. The cost for a hole sponsorship is \$100 and provides you the name of your business on a sign that will be placed around the tee boxes at the outing showing your support for the VVAB.

Below, you will find information regarding the event:

Date of event: Friday, August 10, 2018

Time: 2:00 PM Shotgun Start

Place: Jamaica Run Golf Course

We appreciate your support to our local non-profit organization.

Thank you!
