THE

PARADE MARSHALS

The Masons of Blueville Lodge #647

Masonry has a long history in the United States, as well as the world, as a charitable organization of men to better themselves and their communities through Human Service. Many of the founding fathers were Masons, notably George Washington, Ben Franklin, and Paul Revere. Similarly, Blueville Lodge #647 has a long history in the Village of Edinburg. The lodge was chartered in Blueville, Illinois October 4th, 1870 with Charter members Presley Williams as Worshipful Master, Levi Carlin as Senior Warden, and Iverson Stokes as Junior Warden. There currently are 70 Members active. The Lodge helps the community with providing 4 - \$1,000 scholarships each year to deserving students going to college or tech school. They donate money to the Edinburg food pantry and support the Masonic services and charities that are managed by the Grand Lodge of Illinois. These charities support child development, education, clothes, and supplies, as well as learning services. The funds for such charities are raised through our community supporting our breakfasts, fish fries, and spaghetti dinners.

The first meeting place was in the Berry building, which was across from the Blueville store, both buildings having been lost to time, road construction, and fire. The Lodge moved in 1877 to hold meetings in several different buildings on our current main street. The current building was completed and dedicated in September of 1925 and has served the Masons and the community well for close to 100 years.

Current officers are Lew Fehring Worshipful Master, Nate Neuf Senior Warden, Matt Lanham Junior Warden, Cory Hunsley Secretary, Lee Dewhirst Treasurer, Steve Zoelzer Senior Deacon, and Jeff McGrath as Junior Deacon. The lodge meets on the first Thursday of the month, eating dinner at 6:00 p.m. and meeting at 7:00 p.m.

The Masons of Blueville Lodge #647 would like to thank the Village of Edinburg for their past and continued support and the honor of being Parade Marshall. If anyone is interested in becoming involved in Masonry, or in Blueville Lodge specifically, please ask a Mason. Thank you again, and Happy Labor Day!

Join the Masons for the Parade on Monday, September 2 at 10:00 a.m.

Edinburg Labor Day Parade Route

Parade participants are asked to meet on Washington Street on "the square".

Parade line-up begins at 8:30 a.m. and judging will begin at 9:30 a.m.

The parade will travel down Washington Street. Turn left on Cedar Street. Left on Douglas Street, where it will continue for three blocks. Right on North Eaton Street, and continue until the parade reaches the finish at Veterans Memorial Park.

An Eternal Memory...

Until We Meet Again

Those special memories of you
will always bring a smile
if only I could have you back
for just a little while
Then we could sit and talk again
just like we used to do
you always meant so very much
and always will do too
The fact that you re no longer here
will always cause me pain
ut you re forever in my heart
until we meet again

Jordan was born and raised in Edinburg. She and her 11-year-old daughter, Jolie, live in Assumption. Jordan was recently diagnosed with stage 4 malignant melanoma. Although it started on her arm, it's now moved aggressively to her internal organs and in a very short time has spread to her liver, spine, and bone marrow. She's already begun immunotherapy, and she may end up needing radiation treatments and chemotherapy as well.

Two years ago, Jordan lost her husband Joey very suddenly to a brain aneurysm. She's worked hard every day since to support herself and Jolie through her photography business, and Jolie is very active in area beauty pageants and sports. With the cancer comes a tremendous amount of pain, making it impossible for her to work, and she's been told that it'll get worse before it gets better.

Jordan is a warrior with a huge heart. This is the fight of her life, for her life, and she is absolutely going to give it everything she has. She needs all the help her family, friends, and community can give her in order to get through it.
