

Carrigan Ring

Costume Designer

As an aspiring professional costume designer, it is my goal to go to one of the best universities in the country for Theatrical Costume Design. In the future, I want to use my skills to work in areas such as theatre, television, movies, runways, or anywhere else my imagination can take me. I have been an award-winning costume designer in cosplay costume competitions as well as UIL events. My dream is to receive awards as a professional costume designer someday.
