

# Top 10 Reasons

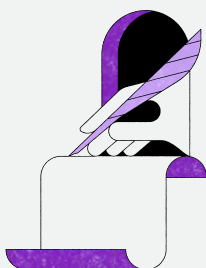

## I Need LegalShield Right Now!

1. People all over North America are fighting with airlines to get refunds they are due during the pandemic.

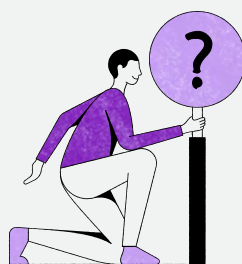

2. Evictions are on the rise as help with rent during the pandemic is ending.

3. Preparation of Wills, Living Wills and Durable Power of Attorney documents are on the rise.

4. As a business owner, I have questions as laws and rules change about what I can and cannot do.

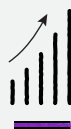

5. With society opening, people are driving more than ever and need assistance with moving traffic violations.

6. Home sales are soaring, and consumers need help with document review and closings.

7. Businesses are not as responsive when you are returning goods (or getting warranty assistance) with goods purchased online.

8. I have questions on my rights as an employee being asked to return to work.

9. I am ready to start my own business.

10. I am trading cryptocurrency and I fear I may be audited.
