Our school also has enhanced operational measures which minimize the threat of COVID-19 and maximize teaching and learning in the classroom. Due to smaller overall school size, highly motivated, involved teachers, and close parental involvement, each student receives special attention so all of their needs are met.

From the Pastor's Desk

As a graduate of Sacred Heart Catholic School, I give thanks to God for the excellent education I was afforded in this great school. I also recognize that in a Catholic School environment I was also able to express my religious beliefs and allow Jesus to be part of my life and walk with me in good times and in bad. What a great opportunity to be able to combine my academic studies with my faith and prayer. For this I also give thanks to the Teresian Sisters.

Catholic education is very dear to my heart. For this reason, I hope that every family would pray upon this and consider sending their child to Sacred Heart School. Sacred Heart School has a beautiful history here in Uvalde. With many graduates that have been successful in their fields of study, I challenge all graduates of Sacred Heart School to remember their Alma Mater by giving back with their financial blessings, regardless of where they live today. Let's keep this school open for future generations.
ALL FOR JESUS!
