

# — 2023 Navitas Golf Carts —

Built By RVA Custom Carts

Our Navitas Cart builds are changing the way custom carts are build. Each build starts with a brand new Navitas Chassis paired with the state of the art Navitas 5kw AC motor and 600amp Bluetooth controller with the ability to reach speeds in excess of 30mph

You choose the cart size (4 or 6 seater, body style, color, battery system, lift or no lift, wheels, tires, upholstery, and any of the multiple add on such as sound bars or LED underbody lights
