

## INTEREST

To the Registrar of Titles

Take notice that His Majesty the King (Saskatchewan) as represented by the Director of Community Planning, as a duly authorized subdivision approving authority, claiming an interest under subsection 130(1)(a) of *The Planning and Development Act, 2007* in the need to ensure compliance with the following directive:

In consultation with the Water Security Agency, it has been determined that the proposed parcels may be subject to periodic flooding that may result in damage to buildings and property improvements. Therefore, to minimize potential flood damage, all new permanent buildings or structures on the parcel shall be constructed above the estimated 1:500 flood elevation of 531.6 metres and flood proofed to an estimated minimum building elevation of 532.1 metres [CGVD28]. This approval is based on the understanding that the RM of Sasman No. 336 will review any future development and apply this standard through its permitting process.

In the following land:

All that portion of the NW¼ 21-33-11-W2M described as Surface Parcel No. 152826655.  
All that portion of the SW¼ 21-33-11-W2M described as Surface Parcel No. 152826633.

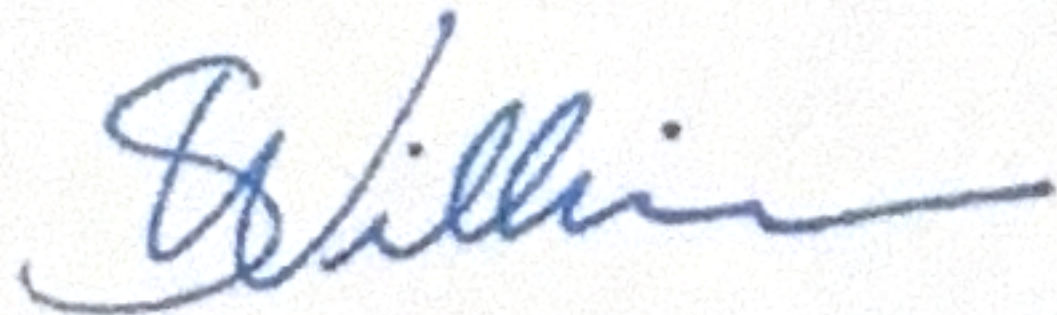

Mines and Minerals Excepted,

And forbid the registration of any transfer or other instrument affecting the said land or the granting of a Certificate of Title thereto except subject to the claim herein set forth.

Dated this 2<sup>nd</sup> day of December, 2024.
