COMPANY OVERVIEW

MedXpress Couriers is a certified, woman-owned and minority-owned logistics company specializing in time-sensitive, compliant, and critical cargo deliveries across the Tri-State Region. Founded and led by CEO Karina Martinez, we bring hands-on expertise in courier logistics, regulated cargo handling, and Port Authority operational environments.

WHY MEDXPRESS?

- ✓ TWIC-credentialed drivers — immediate port access
- ✓ Temperature-controlled & chain-of-custody transport
- ✓ Fully compliant with TSA & OSHA standards
- ✓ Certified MWBE — supporting supplier diversity goals

JFK Airport · Newark Liberty Airport · LaGuardia Airport Port Newark-Elizabeth Marine Terminal · Howland Hook George Washington Bridge · Holland Tunnel · Lincoln Tunnel Bayonne Bridge · Goethals Bridge · Outerbridge Crossing PATH Rail Transit System

CORE CAPABILITIES | INFRASTRUCTURE LOGISTICS SUPPORT

Airport Operations Support

Ground courier and cargo support services for JFK, Newark Liberty, and LaGuardia airports — including bonded cargo pickup, airside deliveries, and time-critical freight handoffs coordinated with Port Authority operations.

Seaport & Cargo Terminal Logistics

Pickup and delivery at Port Newark-Elizabeth Marine Terminal and Howland Hook — TWIC-credentialed drivers providing direct access to secure cargo zones.

Secure Interfacility Transport

Reliable and secure point-to-point transport between Port Authority facilities, terminals, and government offices — ensuring chain-of-custody integrity on every run.

Emergency & On-Demand Courier

Rapid-response logistics for government agencies and businesses requiring same-day or next-flight-out delivery within the Tri-State Region.
