

ITAR Compliance Statement

Saunders Electronics is committed to full compliance with the International Traffic in Arms Regulations (ITAR) administered by the U.S. Department of State's Directorate of Defense Trade Controls (DDTC). We adhere to all applicable U.S. export control laws and regulations, including those governing defense articles, services, and technical data listed on the United States Munitions List (USML). Our company maintains a robust export compliance program, including registration with the DDTC, restricted access to ITAR-controlled data, employee training, and regular audits to ensure compliance. For questions regarding our ITAR compliance, please contact our Export Compliance Officer at [Insert Contact Information].
