PROFILE

An established entrepreneur who is self-driven and passionate, no matter the situation. Exhibits excellent communication skills by using inspirational and motivational dialect, leading to a persuasive and passionate speaker. Hard work and resilience has led to the startup of multiple businesses, a non-profit organization, and a self made entrepreneur.

EMPLOYMENT HISTORY

❖ **Intern For Z+G Property Group** Jun 2023 — Jul 2023
Brooklyn, NY

Z+G Property Group takes old buildings and gives them a new life. They are developers committed to the mission of crafting the best rental product on the market. Through thoughtful renovation and repositioning, Z+G seeks to add significant value to all of their projects.

❖ **Transportation Driver** Sep 2022 — Present
Delray Beach, FL

Drives students around to after school activities & from school to home.

❖ **Coach At Future Stars Sports Camp** Jul 2022 — Aug 2022
Southampton, NY

At Future Stars Southampton, coaches taught campers ages 9-15 the fundamental skills of basketball. Coaches helped instruct game strategies, player conditioning, and what it means to work as a team. By providing leadership and the ability to inspire, coaches helped campers reach their full potential.

❖ **Child Care** Jan 2022 — Present
Delray Beach, FL

Responsible for supervising children, assisting both children and parents.

❖ **Founder & CEO of Swish Tribune** Sep 2021 — Present
Delray Beach, FL

Swish Tribune is a sports media company that serves sports fans a new world to upload their own sports takes and content. Swish Tribune's mission is to allow those who have a passion for sports, to use this platform to share their thoughts. Swish Tribune presents the opportunity to show who one is in the sports world and the potential they have as a commentator, analyst, writer, etc. In addition, Swish Tribune consists of multiple team members that love to talk sports and are able to share their opinions through social media, podcasts, and blogs.

❖ **Founder & CEO of LightSaver** Nov 2020 — Present
Delray Beach, FL

LightSaver is a Non-Profit Organization that educates people on the importance of bike lights. Aiming to ensure bike safety worldwide, LightSaver puts bike lights on as many bicycles as possible. By raising money at different events, LightSaver uses the proceeds to buy bike lights and make the world a safer place to bike. In addition, LightSaver consists of multiple volunteers that contribute to educating people on the importance of bike lights.
