

# Saskatchewan Provincial Good Sam SAMGO

## Procedures

1. Remove the float before calculating payouts.
  - a. Put the float aside for the next day
  - b. Float to be returned to the Provincial Treasurer after the final SAMGO session.
2. Add up the total sales and deduct 10%.
  - a. The 10% is required to offset supply costs.
3. Divide the balance of the money by 12.
4. Payouts are as follows:
  - a. Games 1, 2, 3, 4, 6, 7, 8 and 9 –  $1/12^{\text{th}}$  of the money.
  - b. Game 5 –  $2/12^{\text{th}}$  of the money
  - c. Game 10 –  $2/12^{\text{th}}$  of the money plus the balance of money collected for single game sheets.
5. Proceeds of money collected from Dabber sales go to the Provincial Treasurer and is NOT included with prize winnings.
6. Prices:
  - a. Dabbers - \$1.25 each
  - b. Bingo Cards
    - i. Book of 10 games \$5.00
    - ii. Individual cards \$0.25 (only used in games 5 & 10)
  - c. **Books must be purchased before individual sheets can be purchased.**
7. Supplies for SAMGO (enough for both rallies)
  - a. Banded 10 packs – 8 (each pack holds 50 ten packs)
  - b. Singles – enough to make up 1000 cards
  - c. Dabbers – 24
  - d. Notes:
    - i. When purchasing Bingo paper, you have to buy a full case.
    - ii. The Saskatoon supplier cuts the Bingo paper into 3 up game cards and singles.
    - iii. The above amounts for Bingo paper and dabbers should be enough for both the big Rally and the Mini Rally.
