

Styled Educational Enterprises Ltd: Inspired Personalised Education

SAFEGUARDING INFORMATION

Styled Educational Enterprises Ltd is committed to the safeguarding and promotion of the welfare of children, adults and vulnerable adults receiving education and training. One of the main aims of the organisation is to create an environment where everyone is treated with dignity and respect and where diversity is valued.

The Safeguarding process:

- All employees and stakeholders to receive safeguarding information to identify various forms of abuse to protect students and clients.
- Employees to have an awareness of the issues surrounding abuse, follow procedures in the recording of information and report any issues or concerns immediately to the following designated personnel:
