WHITE WINE

VIOGNIER

Glass / Bottle

12/32

Our Viognier is a medium bodied and aromatic white wine. It is unoaked, so it is fruit-forward, and fresh. Characterized by notes of Lemongrass, honeysuckle, golden apple, kiwi, and white blossoms with subtle minerality. Being unoaked it is higher in acidity (tart), which builds to a crisp and refreshing finish. Viognier is commonly referred to as the red drinkers white!

P.R. VIOGNIER '22

14/39

Our Private Reserve Viognier is a light bodied and aromatic white wine. It is unoaked, so it is fruit-forward, and fresh. Characterized by notes of lemongrass, peach, grapefruit, and prominent minerality. This small lot was selected as a Private Reserve due to the exceptional quality of the fruit and the finished wine, with less than 100 cases produced.

WHITE TIGER Awarded Silver 2019

13/37

This elegant white is a blend of Chardonnay, Viognier, and Petit Manseng. It was oak aged for 6 months in French Oak. A full-bodied white with a more robust flavor profile. You might notice notes of toasted oak, apricot, mango, or butterscotch. Maintains a beautiful balance between earth, fruit, mineral and wood characteristics. Provides a full mouthfeel with a long and well-rounded finish.

PETIT MANSENG Awarded Gold 2019

14/40

Our Petit Manseng is a full bodied and aromatic white. It is entirely aged in French Oak barrels, for 8 months, yet the fruit character remains dominant, with hints of pineapple, mango, vanilla, and toasted oak. This varietal is especially acclimated and resilient to our terroir, resulting in a later harvest than most lots of Petit Manseng around the world.

ROSÈ WINE

RABUN ROSÈ Awarded Silver 2017

10/28

A blend of Chenin Blanc and Pinot Noir. Reminiscent of a Provence style rose, pale in color, light in body, and a bit tart. Notes of raspberry, hibiscus, white cherry, and apple blossom leads to a crisp and refreshing finish.

TIGER MOUNTAIN VINEYARDS

RED WINE

NORTON  Awarded Silver 2019

13/35

Norton produces a full-bodied wine with dark color and bold fruit qualities of plum and cherries. Discovered in Virginia, Norton thrives on the slopes of the ancient Blue Ridge. Excellent with steak

RABUN RED

13/35

This classic estate blend consists of Norton, Tannat, Touriga Nacional, and Sangiovese. Oak aged for 30 months in French and American oak. Dominated by aromas of strawberry, boysenberry, licorice, and toasted hazelnut with a touch of vanilla. It is light in body, with supple tannins, that builds to a smooth and elegant finish.

CABERNET FRANC  Awarded Gold 2021

14/42

Cabernet Franc is quickly becoming the premier red grape of North Georgia. Native to the Loire Valley in France, and commonly used in French Bordeaux blends, our Cabernet Franc exhibits deep cherry character and an exceptionally smooth finish.

MOUNTAIN CYN  Awarded Gold 2019

14/40

Our Mountain Cyn is a full-bodied blend of Norton and Cabernet Franc. Characterized by notes of blackberry, bright red cherry, mushroom, fresh earth, dark red apple, black currant, and toasted oak. It has bold tannins which build towards a long, well-rounded finish. Norton is also called Cynthiana in some parts of the country, which gives us our beautiful Mountain Cyn.

FEARFUL SYMMETRY  Awarded Silver 2021

14/39

A medium bodied blend of Norton, Malbec, and Cabernet Franc with prominent aromatics. Characterized by notes of blueberries, pine, dark cherry, and smoked cedar, paired with elegant tannins. Dominated by the overripe fruits of Malbec but balanced by the earthy qualities of the Norton to create a highly complex wine with a long and rounded finish.

TANNAT  Awarded Gold 2020 & Best Red Vinifera 2021

15/49

Our Tannat is very full in body, with intense tannins, and a deep and vibrant color. This wine expresses notes of dark cherry, strawberry, rose petal, vanilla, and smoked hickory. It maintains a very long, well-rounded, and smooth finish. Tannat originated in the Madeiran region of France but was then popularized by growers in Uruguay. Now its popularity has expanded to the golden slopes of Rabun County and all over the world.
