

CREEKSIDE ESTATES NEIGHBORHOOD ASSOCIATION FORMED

Since our initial meeting last Fall, we have continually been working on creating a neighborhood association for Creekside Estates. It has taken quite some time due to the complexities of gathering information, researching, speaking with others, and finding time from our busy work/life schedules to coordinate our efforts. We're happy to report that last month we filed Articles of Incorporation with the Secretary of State for our community association, Creekside Estates Neighborhood Association, Inc. (CENA). Our association is organized as a non-profit corporation. We feel confident that the best way to protect the appeal of our neighborhood community is to invest in our neighborhood's future. We encourage everyone to consider joining our neighborhood association so that we can unite as a group to work together for the betterment of our neighborhood and to promote its general welfare and prosperity. Membership information will be provided at our End of Summer Get Together on August 27th. If you're unable to attend, please send an email and we'll be happy to send information to you. We hope to see you and your families there.

Sincerely, Anthony Shamis, Tom Spiers and Krista Adams

STATUS OF LIVINGSTON PARISH SEWER EXPANSION PROJECT

We received an update from Kelli Howell at the Livingston Parish Sewer District's office. The anticipated completion date to tie our neighborhood into the parish sewer system is September. Please feel free to call Ms. Howell with any questions or concerns related to the treatment plant or the lift station on Creek Valley Drive. She can be reached at 225-665-6070 or k.howell@lpwastewater1and2.org. Ms. Howell has added us to the monthly email distribution so we can keep updated on the progress of the project.
