On behalf of the members of Creekside Estates Neighborhood Association (CENA), we would like to welcome all the new residents to Creekside Estates and take a moment to introduce you to the voluntary neighborhood association. The mission of the organization is to unite Creekside Estates property owners for the betterment of the area, to promote its general welfare and prosperity, to maintain and enhance the quality of life as well as the property values of the homes located in the Creekside Estates Subdivision. CENA is organized as a non-profit organization.

The organization is a volunteer organization comprised of the residents of Creekside Estates in Denham Springs, Louisiana. Our influence is as strong as our membership base. Only 25% of our homeowners are members of CENA - imagine how much more we could do with full participation. The possibilities are endless with your donation of only \$75.00 per year. That's only \$6.00 per month.

Thank you to all our CENA members for their support, for volunteering, and helping make a difference for the homeowners of Creekside Estates. If you're interested in joining CENA, please visit our website for information. There is NO doubt, we are Better Together!

WHY BECOME A MEMBER?

Your donation helps the subdivision with updates and repairs to the streets, streetlights, stop signs, the entrance wall, entrance grass cutting, and much more. It also helps pay for the Halloween security and hosting neighborhood events such as the upcoming Egg your Yard event.

As a member, you and your family will get to join in on exclusive neighborhood events such as the member crawfish boil, CENA Christmas dinner. New members can request to have their mailbox painted too!

*Thank!
You!*
