

# Creekside Estates Neighborhood Association

October 2018

## 2018 CENA Update

So far it's been a great 2018 and the neighborhood association continues to meet and discuss ways to improve our community. One of the biggest accomplishments this year was being involved with the road resurfacing project. CENA stayed in contact with the project leader and Councilman Scooter Kean. We thank the homeowners for being patient while the road crews finished up. Now that the streets are smooth, please keep in mind the speed limit is 20 miles per hour. Speeding continues to be an issue in our neighborhood.

Another accomplishment was seeing that the Sew-

er District completed their expansion project. It's so great to not smell that awful stench in the back of the subdivision.

Since the inception of the Mailbox Project, CENA has painted 34 mailboxes. A little paint goes a long way! CENA encourages all homeowners to help with this curb appeal initiative by painting their mailbox if needed. The Mailbox Project is ongoing, and CENA will continue to accept requests.

All the street light poles in the neighborhood received a fresh coat of paint in the Spring. Thanks to DEMCO for accepting our request and taking action. CENA

continues to monitor and report street light outages.

Several households participated in the Spring Yard Sale and CENA plans to continue organizing this each year.

CENA members enjoyed getting together at the first annual crawfish boil at the Shamis' house. A big thank you to the Shamis family for hosting!

CENA would like to thank those who are helping keep the grass cut at the entrance. It's much appreciated!
