

About our organization

HMI is a group by Veterans for Veterans assisting and explaining the VA benefits claims process. We are dedicated to helping you get the benefits you've earned in a manner that honors your service.

Why Choose Us

- Experienced & Dedicated Coaches
- A Veteran only non profit organization.
- Funded through donations
- Support throughout the entire process.

As Veterans, we have answered the call of duty. Our service to our country has been a testament of our unwavering commitment & sacrifice. Now as we transition to civilian life we must

continue to embody that same spirit of duty & sacrifice in the fight for our benefits & rights. The process of filing claims may be a difficult & trying one.

But it is a challenge we must rise to. We must not only take ownership of our own claims but also be there for our fellow Veterans, helping & supporting them every step of the way.
