

Caregiving bibliography

Compiled 2017

by Gale Lyman, RN, BSN, HNB-BC

(Gale Lyman, the TLC Resource Center, and The Lyman Center are not responsible for the claims of resources, references, external websites and companies. Gale Lyman receives no consideration, financial or otherwise, from any of these resources.)

I compiled this bibliography while preparing a day-long seminar for nurses. I hope it is helpful to you. Most of the resources are from healthcare journals and some of the articles might be available on line. Unfortunately I do not have the copyright to share the full text of any articles; you'll have to go to the source for that!
