SLS Pricing 2022

(This pricing does NOT fluctuate according to size of load)

- Clean Fill (dirt, clay, top soil, etc.) - \$25 per load
- Concrete - \$25 per load
- Asphalt - \$25 per load
- Wood/Brush* - \$40 per load
- Mixed Wood** (ANY combination of wood and other recyclable materials) - \$100 per load
- Violation Charge*** - \$300

*Any brush loads containing stumps measuring over 3ft in diameter will be charged as mixed wood.

**If your wood load contains dirt, rock or metal, you WILL be charged for MIXED WOOD. Be prepared for charges or separate wood in advance.

***Any loading containing non-recyclable materials, such as tires, mattresses, or any other sizable trash items will AUTOMATICALLY receive a violation charge. Repeated violations can and will result a ban from our facility!

There are designated dump areas for different recyclables at our facility. Please pay attention to our signs and try to keep your loads as tight as possible to ensure room for other drivers.

In addition to our main entrance, you may also utilize the ACT entrance, at 170 Pilot Road Harrison, OH 45053, between the hours of 8am and 5pm. However, if current or recent weather conditions cause your hauling equipment or tires to pick up mud, we do require you to exit the facility out the ACT entrance as per city protocol for debris on the roadway. Failure to do so may result in the temporary closure of our recycling facility and/or a ticket at your expense.

If you are new to our location, or using hauling equipment that does not legibly display your company/contact information, we ask that you give a courtesy call or text to, [Brittani Davis \(513\)4619346](tel:5134619346). Please include your name, your company, the address of the job you're working, and what materials you anticipate hauling.

Example:

John Doe @ JD Excavating, hauling concrete from 123 N. Street, Harrison OH in Red Super Duty w/ dump trailer.

SLS Harrison Pit is a CLEAN Hard Fill and Recycling Facility. We have CD&D containers available to rent for any construction debris and/or household trash. Contact Manette Shea for Dispatch or inquiry of our other provided services at (513)756-0421.
