Centrally located on the beautiful
Moray Coast where dolphins can
often be spotted. This hotel is
the ideal base for day trips in
Moray, Aberdeen \shire and
Inverness, the Highlands and
Loch Ness amongst others.

We believe a three day\night stay
is ideal before exploring other
parts of Scotland, however we
have no minimum or maximum
stay lengths.

You can stay with us on your own
or as a group up to the maximum
of rooms available. There is free
car parking all around the hotel
area and good bus links too.

We are very experienced with
groups, fast and efficient check in
and out, well organized and
professional meal service etc.

Did you Know

The hotel is well liked and used
by our locals showing our
reputation is very good.

Located opposite two Golf
Courses, and one of the two
beaches in the town, we are just
a few minutes walk from a well
stocked small supermarket and
newsagent amongst other local
shops.

Close to RAF Lossiemouth, this
can be a plane spotters paradise
with RAF Jets and others flying
past the hotel almost daily, not to
mention boats and oil rigs etc
floating past us on the Moray
Firth.

A short walk from the hotel there
is a couple of great coffee shops,
ice cream shops, a museum,
harbour, yachting marina and
seafront. Lossiemouth has some
great peaceful walks from the
hotel or a short drive away where
you can come across many
historical finds, why not pack a
picnic.

Covid-19 is still in a lot of peoples
thoughts; this is the ideal hotel as
we have large public spaces in
the hotel and also in the town
and region. We have enhanced
cleaning procedures to keep you
safe.

We look forward
to welcoming you!
