

LIFELINETNT WORSHIP RELEASES NEW SINGLE “BESTIE”

Los Angeles, CA (June, 2021)- In a time where Christian praise music is no longer strictly traditional or lackluster, LifelineTNT Worship team continues to bring contagious and trendy joy to the masses with the release of their latest single “Bestie.” A ministry united and led by Prophetess Taryn Tarver, “Bestie” is an uptempo track with a contagious chorus accompanied by vocals from members of the group Skylar Reign and Anointed Hope. “Bestie” was inspired by Prophetess Taryn and Pastor Deborah Manns who are a dynamic duo exemplifying elite sisterhood on a natural and spiritual level.

“Bestie” follows the 2020 release of LifelineTNT Worship’s debut album *Chanan: Favor of God*, a project that gained nationwide awareness across platforms as lead singles “God of Favor,” “My Desire” and “I Need You” became the soundtrack and frequently played intermission tracks during countless ministry classes, sermons, and conferences. Reminiscent of a Kirk Franklin God’s Property choir movement, Prophetess Taryn and LifelineTNT Worship continue to spread the message of God’s love, mercy, favor, and blessings in a way that even those who may not consider themselves church goers will enjoy. “Bestie” is the first single off of the group’s upcoming sophomore full length project entitled *AHAVA: The Love of God* which is slated for a July 2021 release.
