

Georgia Cannabis Freedom Act

Tagline: *Whole Plant, Full Plant*

What It Does

- **Legalizes Cannabis for All Adults:** Repeals all existing cannabis laws, allowing adults 21+ to possess, grow, and use cannabis in all forms—flower, edibles, concentrates—with no THC caps.
- **Empowers Citizens:** Grants every Georgian the right to grow.
- **Creates Jobs and Revenue:** Establishes a licensed cannabis industry, prioritizing local businesses and communities harmed by past laws.

Why It Matters

- **Beats the Illicit Market:** Legal home growing meets personal demand without feeding unlicensed sales.
- **Economic Boost:** Taxes cannabis like alcohol (5% flower, 7% edibles, 10% concentrates), funding:
 - 38% Education
 - 29% Restorative Justice
 - 19% Public Health
 - 9% Rural Development
 - 5% Industry Sustainability innovation
- **Restores Justice:** Automatically expunges non-violent cannabis convictions within 12 months, reinvesting in affected communities.
- **Sustainable Future:** Recognizes cannabis as a renewable resource, with tax incentives for eco-friendly cultivation.

Key Features

- **Possession:** Up to 2 oz in public, unlimited at home.
- **Safety:** Mandatory full panel testing.
- **Freedom:** No discrimination in jobs, housing, or custody for legal use.
- **Oversight:** Georgia Cannabis Authority (GCA) ensures fair licensing and tax alignment with alcohol rates.

Public Support

- **66%+ of Georgians** back legalization or decriminalization (MPP, 2022)—this Act delivers what we want, with added environmental and equity wins.

Call to Action
