Pitcher, NY 13136

Let's talk about
your vision for your land.

www.GreenFireForestry.com

Based out of Pitcher, New York, Tim Russell has been working in the forest management sector since graduating from the SUNY College of Environmental Science & Forestry with his Bachelor's Degree in Forest Resources Management.

For over a decade, Tim has worked directly with landowners to ensure they're making the most of their land using his expertise in forest inventory and management, wildlife surveying, and sustainable land management practices.
